Photoshop Figma

### Soft Skills

Adaptive learner

Inquisitive thinker

Proactive problem solver

Strong interpersonal skills

Analytical mindset

### Languages

French: native

English: professional proficiency

### Degree & certificates

**Frontend developer training**  
Interface3 (2025)

**Bachelor in sociology-anthropology**  
Uclouvain (2023)

**Nonviolent Communication Module**  
Univers Santé (2018)

I'm passionate about programming and designing intuitive website interfaces.

In training as a frontend developer at Interface3, I'm diving deep into JavaScript and React with a relentless curiosity to master and optimize every line of code.

My goal? To create seamless, powerful interfaces that balance visual appeal with flawless functionality, where every detail enhances the user experience.

## Website Projects

### To do manager

[github\\_link](#)

Practical exercise in form handling and component communication with React.

### Pokedex

[github\\_link](#)

Practical exercise in managing and manipulating collections with React.

### Rock (not stone), paper, scissors

[github\\_link](#)

Practical exercise in Vanilla, using the random function and conditionals.

## Professional Experiences

### Exhibitor manager

Folk Festival of Marsinne (volunteer work, 2023-...)
